

American Jousting Alliance Pledge

I pledge to compete gamely and safely in Tournaments sanctioned by the American Jousting Alliance.

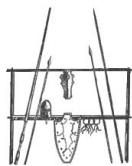

As a member of the American Jousting Alliance, I will never conduct myself in a manner as to discredit this Alliance, or what it stands for. Should I do so I realize that my membership is subject to termination.

I do hereby pledge to be Courteous and Respectful, and to use good judgment and common sense in regard to my fellow American Jousting Alliance Members. Should I win or lose, I pledge this.

I will think of the Horse that I ride in competition as my Comrade in Arms, always thinking of his safety first as well as my own. I will never do anything to put him in a dangerous situation and I shall divert him from any danger should I see it before me.

In the Name of the American Jousting Alliance, I pledge these things.
